We are putting it together, let me get back to you with an estimated time.

Respectfully,
 Tita

Are you planning to send us those three issues we discussed at the meeting, refined recovery rate date (degreasers), flare capacity, and each feed stream recovery factor??

Jae

Good morning Jae,

I hope you had a good Holiday.

Please find attached a Confidential Summary of SDS's Operations. Let us know if you have any questions.

Respectfully,

Tita

Can you email that flow diagram you have shown us at the meeting?

To make our Monday's call more efficient, that diagram would be beneficial.

If you have a short description of your recovery process (TDS), that would be helpful.

Jae
